We've seen a lot of threesomes, but to get a great foursome, is something special. And these three dolls are primed for the young stud about to enter the scene in the next pages. It didn't take long for the three to get themselves warmed up, and when Ricky joined them, all hell broke loose.

Andrea & Kilka & Laila

Thankfully we have a photographer there to capture all the action. And what action there was! Enjoy!

To the editors,

I just have to write you about the last Thanksgiving party I just threw at my house. It has become my favorite holiday and I'm known around the neighborhood for throwing raucous parties, so in order to keep the neighbors at bay over the noise and crowds, I invite them all, and just about everyone of them shows up. Then there are the others. Office co-workers, friends of friends, and even the cashiers and shop owners I do my everyday business with. You see, I have no family left, so this has become my way of sharing and being social.

The party invitation says the festivities start at nine pm, but a lot of them show up early and some show up late, but either way, by midnight, it's a wild and lecherous scene. By then, almost everyone has had too much to drink. The pool is full of half- or totally-naked people and the house looks like a tornado ran through it.

My wife, Melanie, is a fox and loves to party. This year she was dressed in a tan fringed bikini that left

Lusting for Kendra,

Finally, the ideal older woman. I can't thank you enough for the Kendra Lust cover and layout. I discovered her photos and videos recently and have fallen head over heels in lust for her. What a sexual animal she is. The kind I would like in my bed that I could cuddle with, spoon with, fuck with. Her fabulous boobs would be fleshy pillows to rest my head on. Her nipples would sooth my anxiety, and her warm, moist pussy would be tenderly explored with my tongue and fingers.

Wow! I can't believe I just wrote that. I'm a straight 48 year old woman who's never been with another female, yet I find myself strangely attracted to Kendra. Maybe one day we'll meet and I can tell her.

— Laura, San Jose

very little to the imagination. She'd walk around the pool area wearing sunglasses at night playing this little 'can-you-guess-my-age?' game and carrying a tray of shots. Anyone who got within a couple years was a winner and they would have to take a shot. Others that were too far wrong were offered an colored glass of water. If it was red, they guessed too low. If it was green, the guess was too high, so she'd give them one more chance.

Everyone loved the game and loved my wife, too. Because if they guessed her correct age the first time, she also would take a drink. After a while, a whisper made it's way around the group with her correct age and by the time she had played a few more rounds, everyone was guessing right and they were getting drinks, and so was she!

But I digress. Around the block from our house is a small shopping plaza with a dozen or so small shops. One of them is a health food store shop that's owned by Celeste, a baby boomer and ex-hippie who

was willed the shop after her husband died. Tonight, Celeste would come and she was wearing a cream colored diaphanous floor-length gown. Her body would be silouhetted every time she walked in front of a light. It was apparent that she wasn't wearing much, if anything, underneath it.

As she came into the house, she passed by me as I answered the door, she whispered asking me if I liked it. Brushing her hand over my cheek and looking back at me as she passed, her signal was unmistakable. We first met her years ago when we were still vegans and trying to eat healthy. That healthy eating must sure work because she was still svelt and stunningly pretty, although she had to have a boob job to help her aging breasts, but they do look great!

Celeste walked through the house and back to the pool area where she found a group gathered around my wife, drunk and on exhibit. She was sprawled across two pool chairs with her butt in the air while someone shined a flashlight on it and describing it as different phases of the moon. Somehow my wife notices Celeste through all the people and wiggles her finger to invite her over. The crowd disperses and

the two ladies each take a chair and start talking up a storm.

After a few minutes, they both get up and head for the house. I notice this through the corner of my eye and excuse myself from my company to follow them inside the house and watch as they disappear into our bedroom. They close the door behind them and I give them ten minutes before making an entrance.

"Oh excuse me!" I say as I open the door and walk in and find them sprawled on the bed with my wife between Celeste's legs slurping on her pussy. "Don't mind me, I just have to pee." I say. Celeste tells me to hurry up and join them.

I go in and do my thing, wash up a bit and come out to the bed with my cock already hard from the scene in front of me.

My wife stands up and pulls me down onto the bed and pushes my head into Celeste's mound as she moves up to straddle Celeste's face, firmly planting her pussy on Celeste's mouth. I'm licking her wet pussy as my wife dismounts and finds my cock and pulls it into her mouth. Celeste finds my wife's pussy again and now we're in a triangular daisy chain. We make each other cum several more times and fall asleep in the bed.

We wake up about a couple hours later, get dressed and go out to see what all

My wife stands up and pulls me down onto the bed and pushes my head into Celeste's mound as she moves up to straddle Celeste's face...

the noise is only to find the party's still going. Just about everyone is drunk and there's a bit of hanky panky in every corner. Man, I sure can throw a party! Next year, you're invited!

— Ramon, Key West

Dear Editor:

I'm writing to offer an alternative solution to cure anyone's ailing sex life. Get your wife or girlfriend to let you be the boss in bed. You may think you are but read on...

My wife, Diane, and I have been married for more than fifteen years. After living a long time with a constantly declining sex life, I finally took over, and now I control our

sexual activity. How? You may ask. Well, it started a few months ago, after we had a fight about, what else – sex. Diane said she was tired of my constant whining, and finally says dismissively, “OK, you be the boss. We’ll do whatever you say – this time.” She was surprised when I decided to take her up on her statement. And I think she will be even more surprised to find that she will like it that way as much as I did.

So I found a way to make our sex life more exciting – and also get things done around the house: When she does any housework, like cooking dinner, or washing dishes, or even vacuuming, she must wear four-inch heels, an apron and nothing on underneath. Our agreement is that when I decide to grab her boobies or ask for a quick bj, she stops what she’s doing while I have my fun. Just watching her is great; stopping her is even better.

With this new sexual understanding, we’ve done a lot of things we only used to talk and fantasize about years ago. As a guy, I like watching football games on the weekend and now all day Saturday and Sunday, she is at my beck and call. While sitting on the couch, Diane gives

me a blowjob as I eat potato chips and watch the game; sometimes on her knees and sometimes on the sofa with me. It’s one helluva way to watch the game.

Something that she never wanted to do was use a vibe or dildo. Because I’m now the boss, she had to agree. We started out with a small vibe and then move on to larger ones. I used dildos on her and now we use many different sizes, colors and a whole lot of batteries. And Diane now loves them all. The last one she brought home was about nine inches long and very thick. I love pumping that monster in and out of her, and she goes wild on it, and then me.

Another thing she has agreed to is to masturbate in front of me. She used to do herself when I was at work, she told me, but never as a part of our love-making. She likes to have some softcore porn on as she does it. Now, I watch my wife in our bed with high heels on, fucking herself with her fingers and a vibrator. And after she cums a time or two, I’ll join in with either a big dildo or my hard cock. Either way, there’s a guaranteed climax for the us both.

Now my wife is my play toy, and I’m hers. We have sex all the time, or at least whenever either of us wants it. Whatever I want, it’s taken care of immediately. Be it a blowjob,

When she does any housework, like cooking dinner, or washing dishes, or even vacuum-ing, she must wear four-inch heels, an apron and nothing on underneath.

handjob, quickie fuck, it’s all up to me. I don’t abuse the situation and she can say no (she has only done that once, but changed her mind within minutes). You don’t need to look for another woman when you have an arrangement like mine, but within a couple weeks I’m going to test her by asking for us to try a threesome!

– Craig N. Houston

I've been called a man-eater. That's just my business name. While I'm not exactly a man-eater, I am a really good cock-sucker. Any man that has had his cock sucked by me knows what that means. But on to other things: my pussy.

Cheyenne

I know what men want in business and I know what men want in bed.

And I deliver in both places. I can often judge a man's net worth by how wet he makes me.

It didn't take long for her to feel better. As I was about to leave, she pulled me back. She pulled me close and started to get affectionate.

Slowly we kissed on the lips, then she kissed my breasts and I couldn't help but return the favor. Before I knew it, we were buck naked on the sofa kissing and licking each other until we both felt good.

Julia Ann is waiting for Tanya and Sydney to finish their tennis match.

She's prepared a little something for the girls to cool them down. But we think her real intent is to heat them up. There was always a flirty vibe going on and sexual tension. Julia Ann and Tanya decided that Sydney needed another lesson in love.

Julia Ann & Sydney & Tanya

Julia Ann creamed all over Tanya's fingers when she popped her slender digits in and out and caressed her G-spot. It looks like these three sexy gals will be playing tennis and each other for a mighty long time.

*I had once organized a threesome.
There were a couple of no-shows,
but I still had fun.*

i was just a warm up for her girlfriends

SOMETIMES THE BEST WAY TO GET WHAT YOU WANT IS TO GIVE HER WHAT SHE WANTS

It's finally Friday night and I'm getting home from a long, long drive from Tulsa. I park in the garage and enter the house, heading straight for the shower so I can get the day's grit off me. The house is quiet as I step out of the shower, dry off and wrap the towel around my waist. I probably need a drink and make my way to the kitchen and see Simone, my amazing wife, prepping tomorrow night's dinner. I step up behind her and begin massaging her shoulder and neck. She works just as hard as I do and I want to let her know I appreciate it. She let out a small sigh and comments on how good it feels. We make small talk about the day and her plans for tomorrow.

After a few minutes of rubbing her back, she tilts her head to one side, her hair brushing clear of her shoulder. I lean down and start to kiss and nibble at her exposed neck. She giggles a little and smiles as she leans back into me, enjoying my attentions. I stop massaging and wrap her in my arms from the back. My left hand was across her abdomen and my right fell across the top of her breasts. She reaches back and slips her hand under my towel and her fingers flick at my cock and balls.

She's not wearing a bra and my thumbs flick across her

nipples. She's doing nothing to stop me. I pinch her nipples, rewarding me with a gasp of pleasure. My left hand slowly slides down her flat stomach, stopping at her crotch. I can feel how wet she is through her shorts. I rub her pussy through them while my free hand slips under her t-shirt and continues to play with her nipples. We continue like this for some minutes, the only noise heard is the deep breathing and gasps of air as I play with her and she with me.

Simone continues to grind into me and stroke my cock. I find the zipper to her shorts and pull it down. I undo her shorts and pull them down with her panties as I kneel behind her. "What are you doing?" she asks in mock anger as she steps out of her shorts as I pull her top off. I kiss and lick the spot I just bit.

Simone's pretense of resisting my attentions fade and she opens her legs wider and bends forward at the waist, giving me perfect view of her lovely ass flower. She quivers, quakes and throbs as I suck, lick and probe it with my tongue. My left hand reaches around her and my fingers get drenched as they slide up and down her pussy lips. One finger finds her clit and I begin to tease her by just barely touching it. She moves her hips forward to meet my finger as I continue down between her butt cheeks.

Our sweaty bodies make it easy for her to slide out from under me and she drops to her knees before me and sucks my cock into her mouth

She starts to wiggle and maneuver her hips and pelvis to find a way to get both her pussy and ass pleased. I sense the juice dripping from her crotch and the smell is marvelous. Suddenly she turns around and leans back against the counter and raises a leg over my shoulder. She pulls my head into her crotch and I go to work on her. I start by kissing the outside of her pleasure zone, slowly licking and kissing down one side and up the other. Then my tongue flits across her pussy lips giving me the first sweet taste of her juice. Slow moans escape her lips as she digs her nails into the back of my head, trying to force it where she wants it.

I slowly lick her slit from the bottom to the top. I stop just before her clit. I make slow laps with my tongue, over and over, poking and prodding, separating her lips, now and again licking a little deeper into her pussy, but I largely leave her clit alone, for the moment. Then I flick it with my tongue now and again and each time I do I'm rewarded with a sharp intake of her breath. While I'm licking her, my right hand is busy with her anus. I get my fingers slick with her pussy juice and slowly run little circles around her tight brown star. I apply just enough pressure to suggest penetration but not quite enough to let it happen.

Slowly, her hips begging to gyrate and buck even more. Her eyes are closed, one hand's entangled in my hair. I sense she can't take any more of this so I slowly push a finger in her ass. With my other hand, I inch my index and ring finger into her hot pussy. These fingers easily find her G-spot and begin to massage it while I finally give her love button the attention she's been craving as I'm now sucking and licking it. My finger in her ass slowly pushes in and out of it, so it's not long before all this sends her over the edge. Her knees begin to buckle as an orgasm surges through her.

She screams out as her orgasm produces a stream of sweet nectar. I drink it all. She almost crumbles to the floor, nearly spent. I catch her, and slowly stand her up. I kiss her full on the mouth, my face sticky with her pussy fluid. Then I throw her onto the kitchen table, her body still twitching from her orgasm. Her pussy lips are wet and dripping. I can see her pussy and ass twitch with anticipation. I take my cock in hand and rub its tip up and

down her pussy. I slowly glide my cock into her waiting pussy. She grabs my hips and tries to get all of me inside her faster. I push in and penetrate her up to the base of my cock. I can feel her pussy dripping on my balls. The table is a bit low so I grab her hips, lifting them from the table. I go long and slow the first few strokes making sure I'm fully coated with her juices. Then without warning I start to slam my cock in to her. I grunt and growl like an animal as I use my arms and hips to help fuck her. She continues moaning as she squeezes her boobs and pinches her nipples hard.

Suddenly she reaches up for me, trying to sit up in the process. I grab her arms and pull her to me. She wraps her legs tighter around me as I lift her from the table. I pump her up and down on my cock as I stand in the middle of the kitchen. I can feel her nails digging into my back as another orgasm surges through her. I

I start fucking her standing there again as her orgasm subsides. I lay her back on the table and start fucking her harder and harder. She senses that I'm about to blow a big one. Our sweaty bodies make it easy for her to slide out from under me and she drops to her knees before me and sucks my cock into her mouth, massaging my balls at the same time. I'm too close and her mouth feels perfect! I grab thick handfuls of hair as she lets me fuck her throat.

Simone knew that Hope and Sandie had experimented with each other, and she had wanted to also but was to afraid to.

Just as my cock explodes into her wanting mouth, Simone forces two fingers she's been lubing with her pussy into my ass. The sensation is unimaginable! I cum so hard it almost hurts as load after load of hot jizz gushes down her throat. She milks my cock of every last drop, pumping it with her hands as she sucks out everything she can. Simone smiles and stands up before me, wiping cum of her chin with her fingers. She sucks her fingers clean and gives me a deep tongue-filled kiss. I can faintly taste some of my man-juice still on her lips. Silently, we stand there holding one another and softly kissing each other in the middle of the kitchen. I pick her up and carry her to the bedroom. By the time we get there she is almost asleep as I lay her gently on the bed.

It's Saturday today, and Simone has invited some of her girlfriends over for dinner and a party. I helped whip up some desserts for them, but it was Simone's show tonight. They would arrive soon, so she hopped in the shower. She put on some lace underwear and her finest perfume. She loved how it felt to have another woman taste her and feel her mouth against her warm body. Simone knew that Hope and Sandie had experimented with each other, and she had wanted to also but was to afraid to. Shortly, everyone showed up, ended up in the kitchen (yes, I cleaned up), and started reminiscing about the old days and how happy they were to see each other. After dinner everyone went to the living room to have drinks and play truth or dare.

Jennie started it off by saying, "truth or dare" to Simone? Simone, of course, picked dare. She dared her to French kiss Sandie. She walked over and gave her a kiss so seductively that both Sandie and Simone got wet and their nipples got hard. Jennie and Hope gave each other a devilish look and smile. Jennie got up and sat next to Hope rubbing on her soft skin and giving her a seductive look. Simone watched as they kissed and Sandie rubbed on Simone's full but perky breasts, playing with her nipples. They were at full attention just wanting Sandie to swallow them up with her hot wet mouth. Sandie unbuttoned Simone's blouse and took it off slowly. She pulled down Simone's bra straps exposing her breasts. She pushed Simone back on the couch and took in a mouth

full of boob; sucking them as if she was thirsty. Simone groaned and moaned with ecstasy. Sandie went up and down her body with and stuck her fingers inside of Simone's skirt and into her lace panties. Simone's head raised, she moaned uncontrollably as her body started shaking and her moans were turning into cries of ecstasy.

Sandie stuck her two fingers deep inside of her. She screamed as Sandie fucked her faster and faster with her fingers. She came so hard that Jennie and Hope joined in on the fun. Hope told Simone that they were going to give her an experience that she would never forget. Everyone got out of their clothes and took it to the bedroom. Jennie laid Simone down on the bed kissing her ever so slowly, Hope sucked on her wet, hot pussy and licked her clit slowly while Sandie sucked her breasts. Jennie began sucking her breasts and playing with her clit as Hope licked her love hole and making it even wetter. She took two fingers and put them inside.

She moaned and wiggled, tugged at the sheets grabbing Jennie's breasts and sucking them. Simone began eating out Jennie while Sandie laid under Hope and devoured Hope's wet pussy. She sucked it hard making Hope suck Simone's clit even harder. They took turns licking each other and giving each other multiple orgasms. This whole time, I'm sitting at the edge of the bed watching this sweet girlie action going on in front of me. I helped myself to a final release as they all finished theirs. And Simone finally got to experience what she wanted, and to have my fantasy come true.

As you can tell, yes, Mylene is a little shy. This is only her second time in front of the camera like this. We tried to make her relax and after a half hour in her dressing room, she comes out. Thankfully the director made her feel comfortable.

Mylene

And after another half hour, her top came off. And after another half hour, her bottoms came off. And after... well... you get the picture.
